

Splash Spring 2011 – San Francisco Oakland Bay Bridge

Hello:

Our Splash class is intended to give you an understanding of this ongoing accomplishment, and I hope by the end of the class you will be familiar with what is going on, and why it is necessary.

But it is also important to have some understanding of the original bridge. I hope you enjoy these two music videos, and this picture from opening day.

Here are some historical views of the first Bay Bridge
